

## **Field Guide Printing Instructions.**

This field guide can be printed as a booklet for ease of use.

After selecting print, see below for appropriate options to set within the print dialogue page in order to print as a booklet.

If available as a printing option select “Booklet” Then set the following within the print

dialogue box: Booklet subset: both sides

Sheets from: 1 to 2

Binding: Left

Have fun keying!

More information about printing Adobe PDF's as booklets can be found at:
